# STEM FUELS | LUBE OIL TESTING PROCESS

**1.**

All Stem Fuels Physical Lubricant Supply Areas we can offer Lube Oil Testing kit. Lube Oils for testing can be sent to the nearest location as on the map in coordination with the Stem Fuels team. Each test per sample is paid in accordance with our local fees.

**2.**

All tests are made within 24-72 hrs of receipt of the sample (s) at the laboratory.

**3.**

The Test Report can include a full testing of all parameters or only for selected depending on preference.

**4.**

Report has data and guidelines for interpretation of the results

**5.**

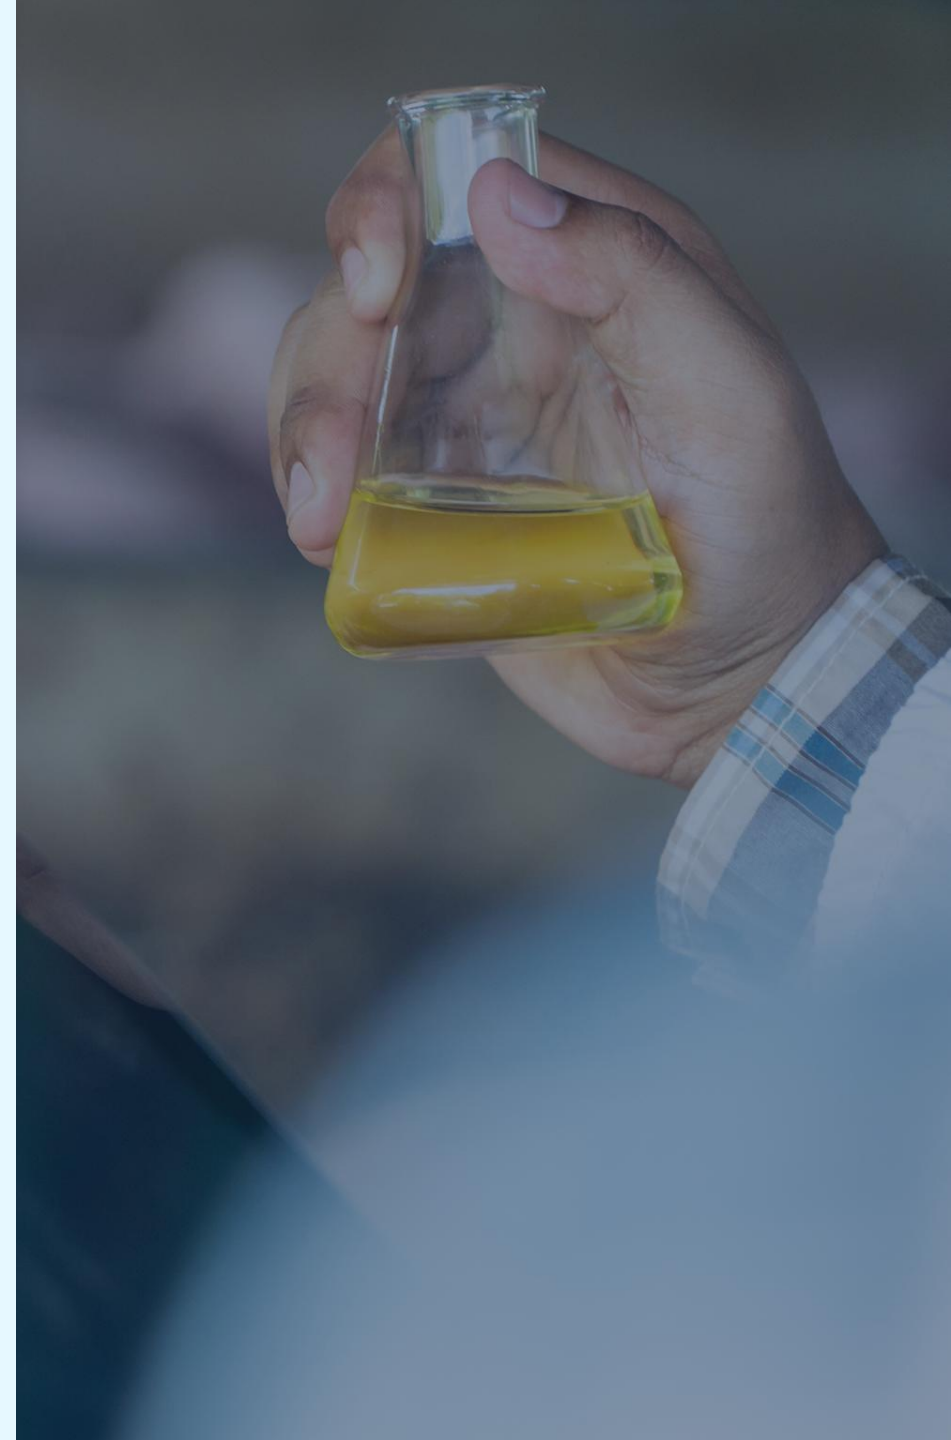

Our Team will reach out to you immediately once the test results are available to inform if the results are in spec or has any abnormal condition (s).

**6.**

The Stem Fuels Lube Oil test kit is suitable for system, engine, cylinder and hydraulic oils.

**7.**
